

Authorization for Automatic Payment From Checking or Savings Account

Just one of GVEA's "auto pay" options.

Since 1994, GVEA has offered automatic payments of your monthly electric bill. You can designate the payment coming from either your checking or savings account.

Why: You'll never have to write or mail another check to GVEA to pay your monthly bill.

How: Simply complete the authorization form below and return it to GVEA, along with a voided check or savings deposit slip (depending on where your payment is to come from).

You will continue to receive your monthly electric bill, and you have 10 days to contact us should you have any discrepancies. Before the past due date (which is clearly posted on your bill), your bank will automatically transfer your payment directly from your account (checking or savings) to GVEA.

Golden Valley also offers **three other Auto Pay options:**

- Option 1: Automatic payment from your **credit card**
- Option 2: Automatic payment from your **debit card**
- Option 3: Online **GV E-Bill** using **credit or debit card** or **withdrawal from checking or savings account**. Learn more at www.gvea.com.

For questions about any of these other options, Call GVEA at 452-1151 or 1-800-770-GVEA
